Re: Freedom of Information Act Request 2017-465
WT Docket No. 12-202

Dear Ms. Dortch:

PCS Partners, L.P. ("PCSP"), by its counsel, hereby responds to Progeny LMS, LLC's ("Progeny's") partial opposition to PCSP's March 17, 2017 Freedom of Information Act ("FOIA") request seeking access to Progeny's First Progress Report filed March 1, 2017 in WT Docket No. 12-202.¹ While PCSP appreciates that Progeny has submitted a new version of the Progress Report that redacts less material than the original submission and makes available information that is not confidential, PCSP requests that Federal Communications Commission (the "FCC") staff determine whether the remaining redacted material satisfies the standard for non-disclosure under the applicable FCC rules and precedent.

Please contact PCSP's undersigned counsel with any questions regarding this matter.

Respectfully submitted,

/s/ E. Ashton Johnston
